

Study Guide for Probability, Math 125

Kovitz

List of sources for basic concepts and fundamental formulas and procedures:

Chapter 13: the chance of: “both A and B,” “A and B,” “all of A, B, C,” etc.

See boxes on pages: 229, 230, 231, and 232.

Chapter 14: the chance of: “at least one of A, B, C,” “A or B,” “A or B or C.”

See both boxes on page 241 and boxes on pages 242 and 250.

The above page references are to verbal descriptions of the formulas and procedures.
For the actual formulas, please refer to the Definition pages for Chapters 13 to 15.
